Three Dry Routes

Start near where you're already staying.

WINTER GARDEN

Plant Street Market

Park once and eat inside. Add the nearby railroad museum if it's open and the rain lets up.

HORIZON WEST

Cinépolis Hamlin

Reserve a movie and use the on-site lot. Make dinner part of the same stop with in-seat service.

FOUR CORNERS

Studio Movie Grill

Go straight to the theater at Sunset Walk. Save the open-air promenade for a break in the rain.

Allow for outdoor exposure between parking and the door. Check radar and Florida 511 before leaving.
